

Bike Song

(Tune: She'll be Coming Round the mountain)

Oh I'm riding to the park on my bike,

Oh I'm riding to the park on my bike.

I will climb on the climber, and I'll swing on the swings,

I am riding to the park on my bike.

Oh I'm riding to the farm on my bike,

Yes I'm riding to the farm on my bike.

I will feed all the piggies and I'll milk all the cows,

I am riding to the farm on my bike.

Oh I'm riding to the beach on my bike,

I am riding to the beach on my bike.

I will splash in the waves and collect lots of shells.

I am riding to the beach on my bike.
