7 Ways to Show Numbers

Counting to 10 -Apples in Barrels

7 ways to show numbers

This is an interactive number and counting resource that can be used in many ways.

Pack includes 10 numbered barrel counting mats, and 6 cards to place on each mat. The cards show 6 different ways that each number can be represented: set of objects, finger counting, 10-frames, number words, dice and tally marks. (The 7th way is the numeral on the barrel).

Print on cardstock, and laminate for longer use. Cut out the cards.

The cards can also be used as flashcards for group teaching, in pocket charts, for wall displays, they can be placed in numerical sequence, and memory and matching games can be made by printing 2 or more copies.
