Match Upper and Lower Case

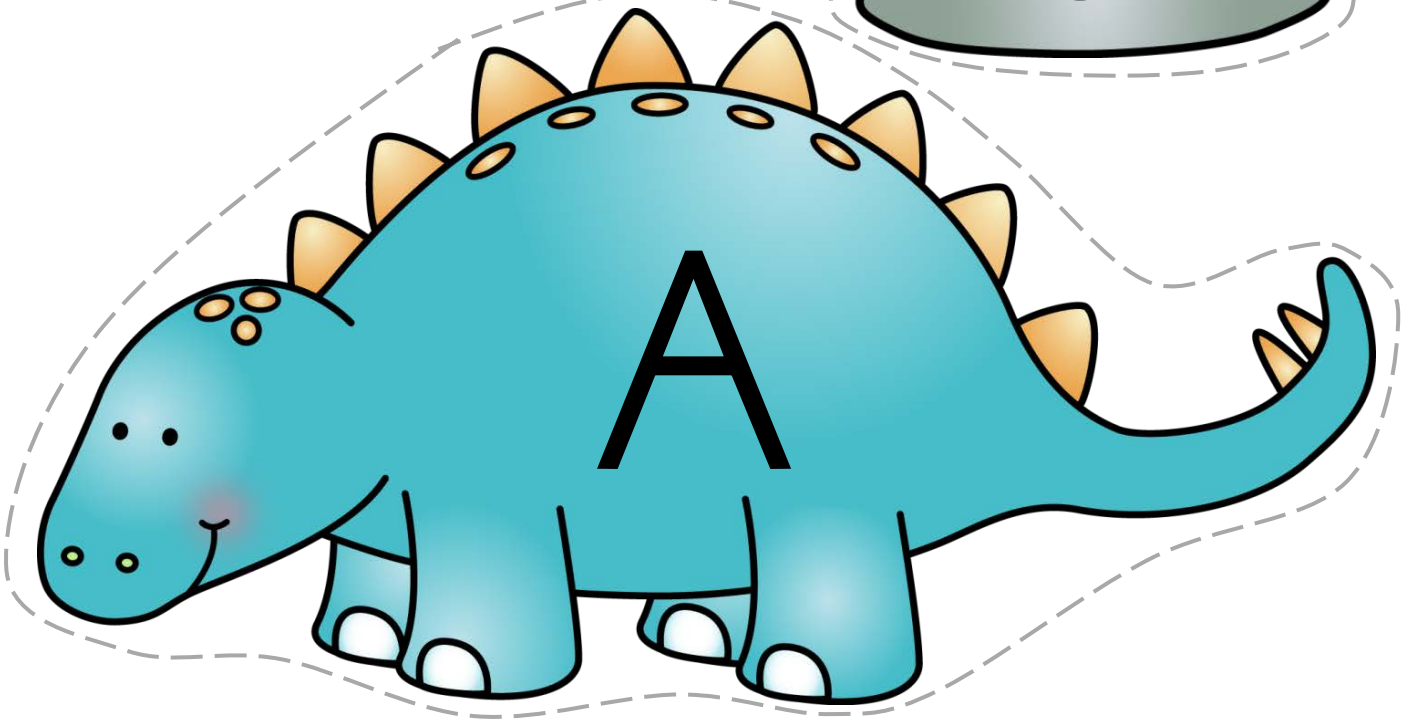

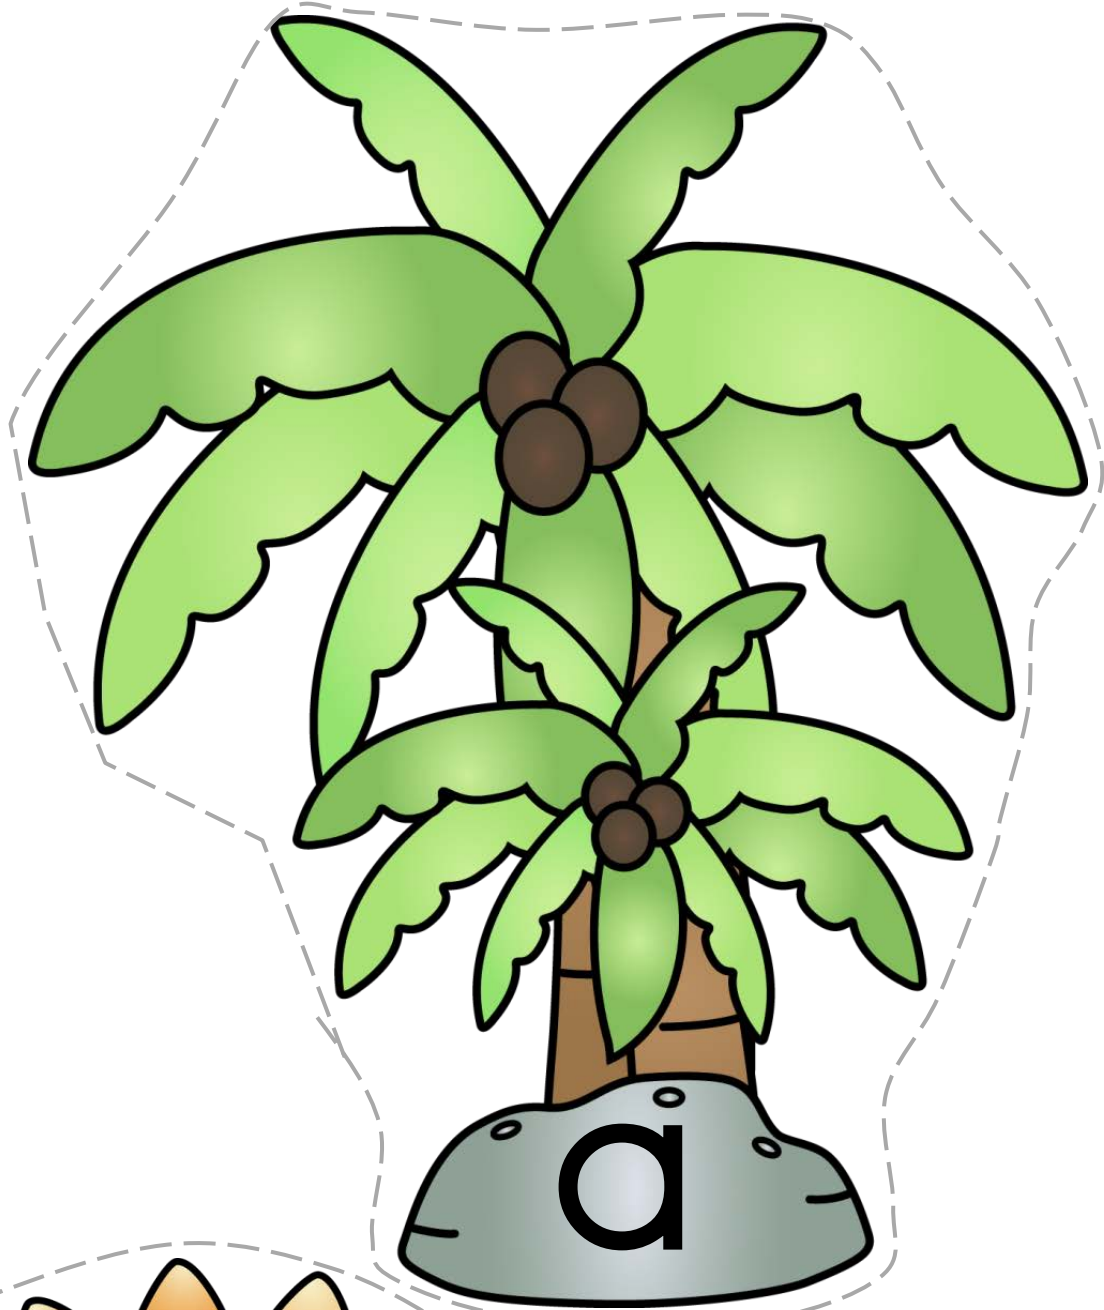

Did you know that dinosaurs LOVE letters, and in this game they especially love to match upper and lower case alphabet letters. The characters are created as cutouts in order to be more flexible for you to use for just the letters that are currently being learned. Print on cardstock and laminate to keep the game useful for a long time.

Use the pterodactyls as an extra – perhaps to sit in a tree as a match is found, or to match one to one with the dinos, or just to play with.

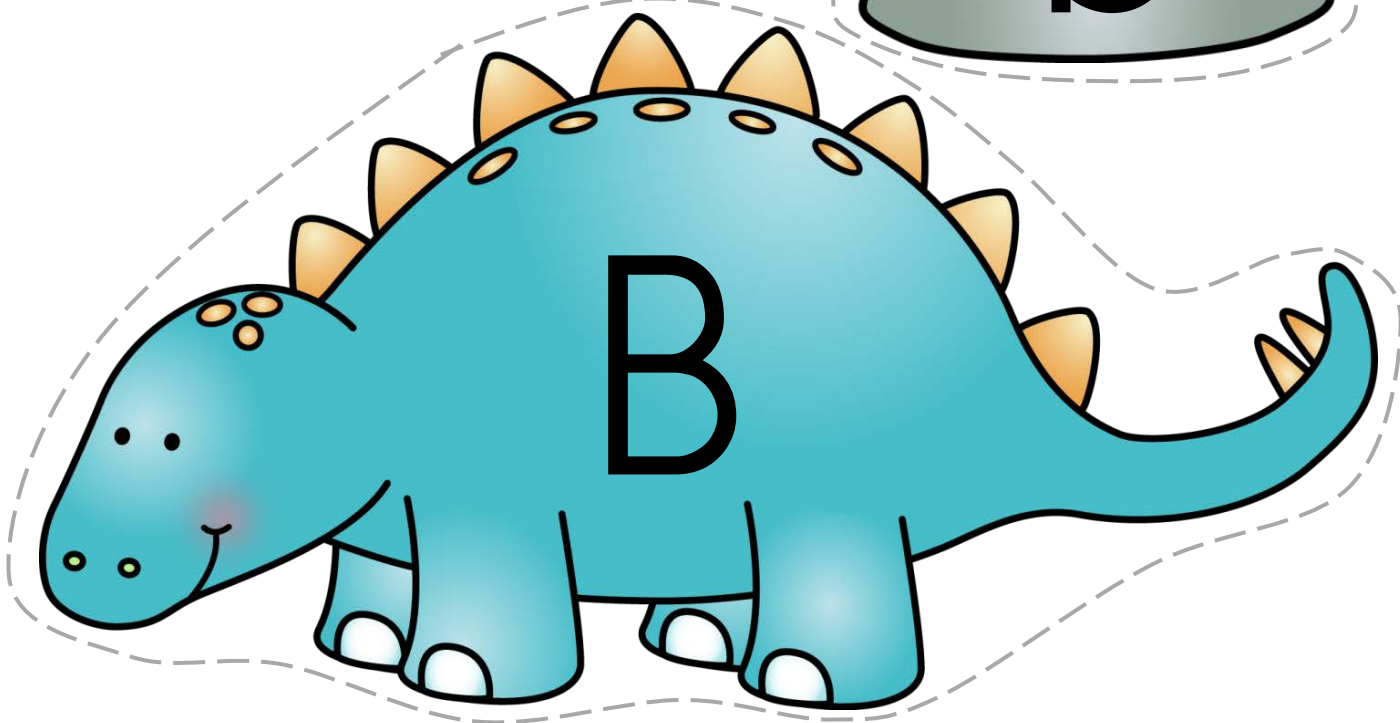

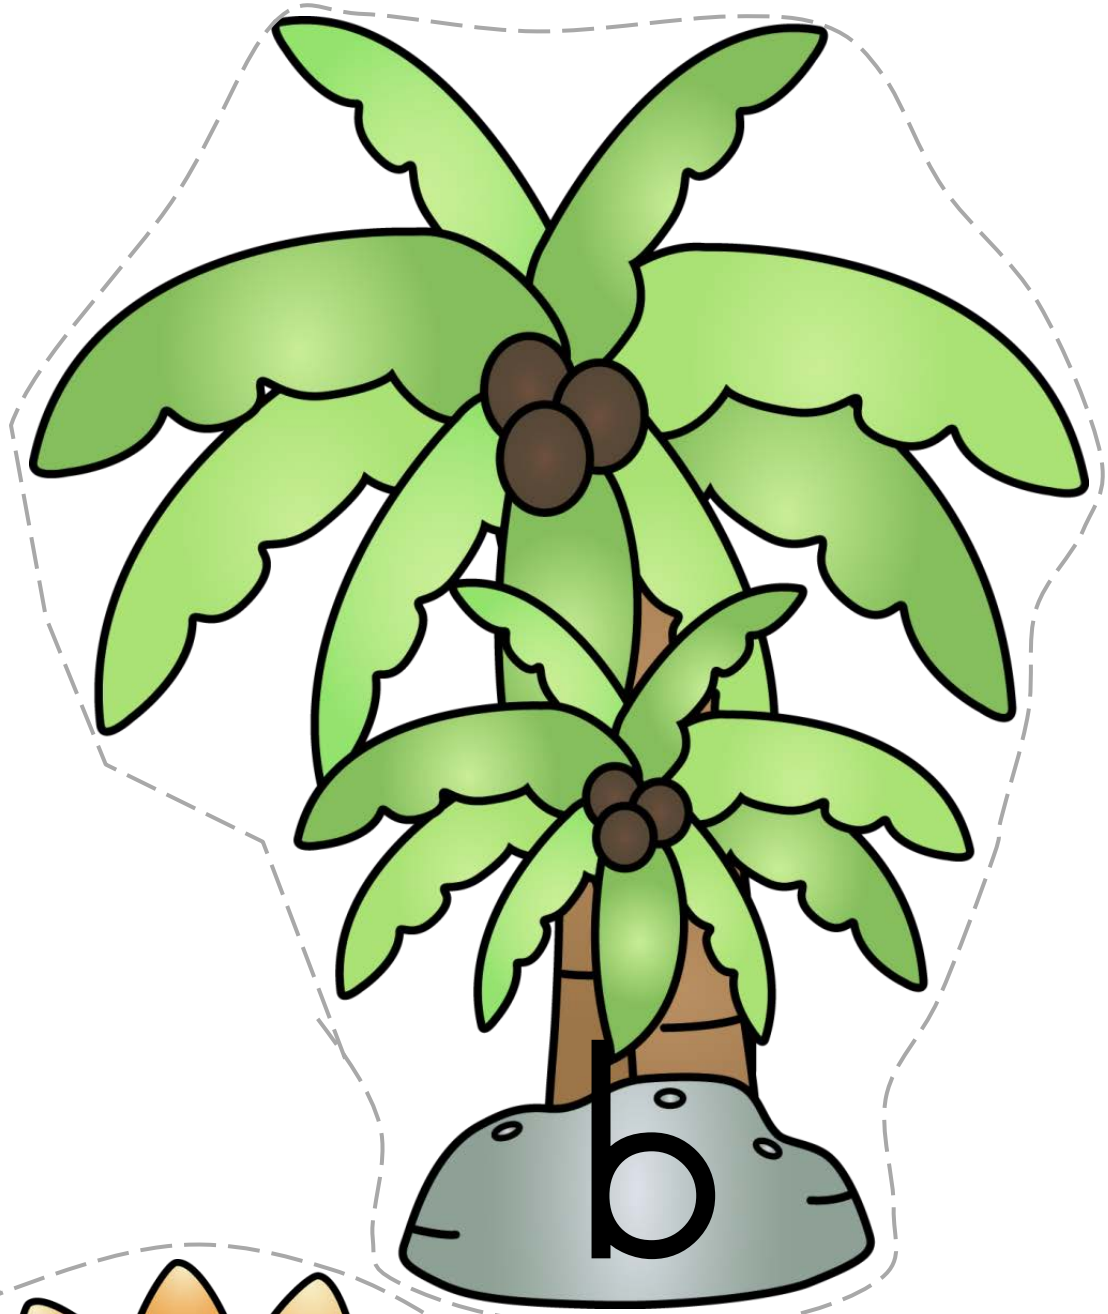

There is a Dinosaur Alphabet, too, to use as a reference.
