Earth Day Alphabet

This is a set of Planet Earth alphabet cards. I have also added some sun cards to extend your lessons. You could hide a sun card behind one of the Earth cards children guess which letter hides the sun. Play as a group game in a pocket chart, or in a grid at circle time on the floor.

Cards can be used for letter order, sequencing and recognition. Print 2 sets for matching, concentration and memory games. Print on cardstock and laminate for longest use.
