

Earth DAY Words

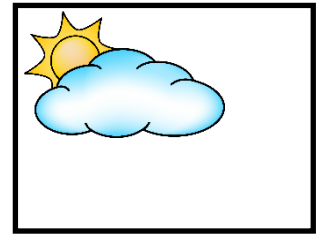

Earth

water

land

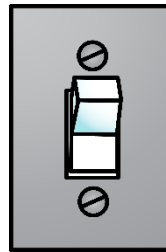

air

recycle

reuse

reduce

plant

recycle bins

paper

plastic

glass

can

seeds

bicycle

together

This is a concise page of vocabulary and pictures related to Earth Day and taking care of our planet, for early learners. Go over each word/picture, talk about what it represents, and how young people can be part of helping together. The page can be used by older students in a writing center.

I add FREE items often. Follow on TpT and Pinterest to get them as soon as they are listed.
