Farm Animals Words and Pictures for Early Learners

This is a concise page of 12 words and pictures (in both color and bw) related to the concept of farms and farm animals for toddler, preschool and Kindergarten children. This page can be used for vocabulary meanings, recognition and to encourage discussion about farms, animals that can live at a farm, and the ways they can benefit us. Make up sentences using 2 or 3 of the words. For matching activities, print 2 copies and cut up one or both pages.
