

The Neighborhood Song

(Tune: Did You Ever See a Lassie? Children walk (or hop, skip etc while singing)

Let's walk around the neighborhood,
Round the neighborhood, round the neighborhood,
Let's walk around the neighborhood,
And what can we see? (stop)

(spoken) Oh look! It's a park!
What can you see at the park?

(Children name things they might see at a park. Then sing and walk again, and "see" other neighborhood places eg. bakery, swimming pool, store etc)
