

Planting Seeds

(Tune: Twinkle Twinkle Little Star)

First you dig a little hole,
Then you drop some seeds in there.
Cover them with lots of dirt.
Give them water, sun, and care.
Now the seeds will start to sprout,
Flowers blooming all about!

This is a Spring-themed song/rhyme about "Planting Seeds", plus a set of sequence cards to illustrate the rhyme. Each of the cards goes with a line of the rhyme. Print them on cardstock and cut them out. The cards are numbered.
