Squirrel Alphabet

This is a set of squirrel alphabet cards. I have also added some leaf cards to extend your lessons. You could hide a leaf card behind one of the squirrels children guess which squirrel hides the leaf. Play as a group game in a pocket chart, or in a grid at circle time on the floor. Cards can be used for letter order, sequencing and recognition. Print 2 sets for matching, concentration and memory games. Print on cardstock and laminate for longest use.
